

# DALLAS DOME

SIR SAINT WILL LEAD US TO VICTORY  
OVER THE EVIL TEAMS OF THE NFC SOUTH

## OFFICIAL 2009 SEASON MEMBER-NEWSLETTER #12

*Are you ready for some UN-DEFEATED NFC SHOWDOWN FOOTBALL?*

There is going to be more talk about Eli Manning's heel, his first NFL game in his hometown of New Orleans and the Giants' first game against former teammate Jeremy Shockey since the disgruntled tight end was dealt to the SAINTS last year. Manning was supposed to play in the Superdome in 2005 but the game was moved to Giants Stadium after The Dome was shut down due to Katrina.

And if that isn't enough, well, the Giants (5-0) are facing the SAINTS (4-0) in a battle of two of the NFC's three unbeaten teams!!

The Giants' five wins have come against Washington, Dallas, Tampa Bay, Kansas City and Oakland, teams with a combined 6-19 record. The last three opponents—the Bucs, Chiefs and Raiders—are a combined 1-14. beating a bunch of CUPCAKES early in the season hardly qualifies you as an "elite" team, but that's not what the polls say...

An NFL.com readers poll asks the question; "Which is the best team in the NFL right now?" Would you believe 57,972 votes (as of 12Midnight) had this result....

Colts	27%
Giants	23%
Vikings	21%
Saints	19%
Broncos	10%

Who the hell's casting these votes anyway?!! Yes, I voted too....BUT MY VOTE MAKES SENSE!!

The SAINTS are off to a tremendous start with Drew Brees leading the league's highest-scoring offense known as "The Ariel Assault" which has scored 144 points in just 4 games. OK, OK, maybe the rest of the football world isn't calling them that, yet, but it's catching on, right? Hey people....I'm a trend setter!

There are no injury updates at this point in time but I'll keep you posted Gang!!

Be sure to take a look at these EXTRA SPECIALS for this Weekend!!
